Re: Acceptance of Firehouse Subs Public Safety Foundation Grant

The West Lafayette Fire Department has been awarded a Firehouse Subs Safety Foundation Grant in the amount of \$20,982.12. WLFD requests the West Lafayette Board of Public Works' approval of the grant.

This grant will allow the department to purchase 12 automated external defibrillators (AEDs) with carrying cases and wall cabinet fast response kits. This will allow for every city building and every fire truck to house an AED unit, creating a safer environment for our citizens.

In 2005, Firehouse Subs created Firehouse Subs Public Safety Foundation with the mission of providing funding, life-saving equipment, and resources to first-responders and public safety organizations. Through the non-profit 501(c)(3), Firehouse Subs has given \$8.3 million to hometown heroes in 39 states and Puerto Rico, including more than \$200,600 in Indiana.
